The first year comprise a common curriculum of study.

The second year is structured in 4 curricula:

Psicologia Clinica e della Salute

Psicologia Sociale, del Lavoro e delle Organizzazioni

Neuropsicologia e Valutazione Cognitiva

Psicologia dello Sviluppo e dell'Educazione

All courses are in Italian language

- Please note that Laurea triennale corresponds to undergraduate level (level I) and Laurea Magistrale is equivalent to graduate/master level (level II). If the updated programmes are not online students may refer to courses of previous year
- If you attend the 2nd or 3rd year in your university in 2011/12, you should choose your courses in L-24 "Corso di Laurea in Scienze e Tecniche Psicologiche", if you attend the 4th or 5th year you should choose your courses in both, L-24 "Corso di Laurea in Scienze e Tecniche Psicologiche" and LM-51 "Corso di Laurea Magistrale in Psicologia".
- In the guide to the Faculty next to the name of the courses there is a column "sem" which indicates the semester of each course (1= first semester; 2= second semester). Moreover, some courses are marked "I" or "II", to indicate that the course is divided into two groups according to the initial of the student's surname: course I, A-K; course II, : L-Z.

- EXAMS SESSIONS
